

MURIEL

It is hard to believe it is one year this month since I was so ill and I know it was only through God's love and mercy and the prayers of the Lord's people that brought me through. It has been a slow recovery as the consultant says it will take up to 2 years. At the moment I am still in a lot of pain as I need to get the muscles in my leg working again. I would value your continued prayer for a full recovery so I can get back to visiting my students.

Muriel

It is good to see Muriel back in the School, as and when she is able, doing the work that is close to her heart.

EMMAUS DISPLAYS

With a view to expanding the work, we are looking for volunteers who would take responsibility in their own church for displaying some of our courses, promoting their use and providing a link with the school. We would send a sample pack of courses for display together with a pack of Prospectuses and additional courses on request. If you are interested in doing this work for the Lord, please contact us.

EMMAUS IN NEWCASTLE

Colin gave five illustrated talks at Edgefield Gospel Hall in Newcastle earlier this month based on the Emmaus Course '*Travelling Through Time With God*'. The series was well received and those who attended benefited from the overview of scripture from Genesis to Revelation. This course is available for study in book form or online. It was also good to meet those who are involved with the Emmaus work and who are helping students with the courses.

FEEDBACK FROM STUDENTS

We are always encouraged to receive responses from our students and to know that they have been blessed through studying God's word with the help of Emmaus courses.

Jack, HMP Full Sutton. *God Is There*. When God's new creation comes it is going to be better where there is goodness and we will live by His rules. Yes, God's first creation was perfect but not as perfect as when He comes again. There will always be joy and peace and nobody will be afraid anymore. Praise the Lord our Saviour Jesus Christ. Amen. I know God is with me always by my side.

Charles, HMP Maidstone. *Now Hear Peter*. 'This course has helped me in knowing more about salvation, grace and works. Also taught me and good to know that believing in Jesus makes me a priest and a saint and most importantly being called a child of the Most High God.'

Peter, HMP Forest Bank, *Men Who Met The Master*. 'Judas sold his soul for money he gave into temptation of greed which is wrong. In my past I have also gave into temptation. However I seen the errors of my ways and ask the Lord for forgiveness every day.'

Margaret, "For years now I have studied this precious Book in doing Emmaus courses and have been truly blessed."

NEW EDITION

We have revised our course '*In The Beginning*' which now has many pictures and other helpful illustrations. The truths dealt with in this course are foundational and fundamental to everything that follows in Gods word. Price inc p&p £4.00

NEW VOLUNTEER

We are very pleased to welcome a new volunteer to Emmaus. Elaine Redmile is coming into the office once a week and is helping with typesetting and proofreading. She is a member of Pat's Church and has already proved her worth. Please pray for her as she gets to know computer programmes that are new to her.

CHANGES TO OUR COURSE STRUCTURE

Our course structure has now been simplified. Instead of having four programmes of study we will just have two - the Individual Studies Programme and the Series Studies Programme. Under the first, students can choose their own courses from the whole range detailed in the Prospectus. Under the second, courses are grouped around a common theme such as 'Bible Prophecy' or 'Bible Characters'. In the current Prospectus, pages 8 to 11 should be omitted. You can view the latest Prospectus on our website - www.emmausuk.com

VISIT TO SPAIN

We thank the Lord that Muriel was able to join me and we spent two very enjoyable weeks with Gil and Carolyn Vargas in Spain. Gil is the Emmaus director in Spain and is responsible for printing all the Emmaus courses used there. As he is planning to go to the USA shortly for three months, he is keen to leave a good stock of courses available. Muriel and I were able to help with collating and folding over 1000 courses.

We also spent time sightseeing and enjoying fellowship and lovely food with other believers, including some who have been saved recently. Please continue to pray for the Emmaus work in Spain. Pat
