Lesson 1: THE BIBLE

INTRODUCTION

Someone has called the Holy Bible “the Divine library”, and this is a true statement. Although we think of the Bible as one book, yet it is made up of sixty-six separate books.

These books, beginning with Genesis and ending with Revelation, are divided into two main sections. The first section is called the Old Testament and contains thirty-nine books. The second section is the New Testament and it has twenty-seven books.

At the beginning of each Bible is an index which lists the names of the books, and tells the page number on which each book begins.

WHO WROTE THE BIBLE?

From the human standpoint the Bible was written by not less than thirty-six authors over a period of about sixteen hundred years. But the important thing to remember is that these men wrote under the direct control of God. God guided them in writing the very words. This is what we mean by inspiration. The following Scriptures clearly teach that the Bible is inspired by God.

“For prophecy never came by the will of man, but holy men of God spoke as they were moved by the Holy Spirit”

2 Peter 1:21
Thus the Bible is the Word of God. It is not enough to say that the Bible contains the Word of God. This might imply that parts of it are inspired and parts are not. Every part of the Bible is inspired. “All Scripture is given by inspiration of God”.

Another important point to remember is that the Bible is the only written revelation which God has given to man. In the last chapter of the Bible, God warns men against adding to the Bible or taking away from it. (Revelation 22: 18,19).

WHAT IS THE SUBJECT OF THE BIBLE?
Although the Bible is made up of sixty-six books, yet it has one main subject. Christ is the grand theme of Scripture. The Old Testament contains many predictions, or prophecies, concerning Christ. In the New Testament many of these prophecies are shown to be fulfilled in the coming of Christ to Bethlehem, and in His life, death, and resurrection. A number of prophecies still await fulfilment.

WHAT DOES THE BIBLE CONTAIN?
The Bible is the record of the world from the beginning of time until the end of time when there will be a new heaven and as new earth.

Genesis tells of the creation of the world, the entrance of sin, the flood and the beginning of the nation of Israel. From Exodus to Esther we have the history of Israel up to about 400 years before the birth of Christ. The books of Job to the Song of Solomon contain wonderful poetry and wisdom.

The rest of the Old Testament, from Isaiah to Malachi, is prophetic - that is, these books contain messages from God to Israel concerning its present condition and its future destiny.

From Romans to Jude, we find letters to churches and individuals, concerning the great truths of the Christian faith, and practical instruction concerning the Christian life. Revelation gives us a glimpse into the future - to events that will yet take place in heaven, on earth, and in hell.

CONCLUSION
The following is a fitting tribute to the Holy Bible:

“This book contains the mind of God, the state of man, the way of salvation, the doom of sinners and the happiness of believers. Its doctrines are holy, its precepts are binding, its histories are true, and its decisions are immutable.

Read it to be wise, believe it to be saved, and practice it to be holy. It contains light to direct you, food to support you, and comfort to cheer you. It is the traveller’s map, the pilot’s compass, the soldier’s sword, and the Christian’s charter. Here paradise is restored, Heaven opened, and the gates of hell disclosed. Christ is its grand subject, our good its design, and the glory of God its end. Read it slowly, frequently, prayerfully. It is a mine of wealth, a paradise of glory, and a river of pleasure. It will reward the greatest labour, and condemn all who trifle with its sacred contents.

It is the Book of books - God’s Book - the revelation of God to man”.

Lesson 2: GOD

No greater subject can occupy the mind than the study of God and of man’s relationship to Him.

THE EXISTENCE OF GOD
The Bible does not seek to prove the existence of God. The fact there is a God is assumed throughout the Scriptures. The first verse of the Bible is an example. “In the beginning God created the heavens and earth”. God’s existence is presented as a statement of fact that needs no proof. The man who says that there is no God is called a fool in Psalm 14:1.

However, even apart from the Bible, there are certain evidences for the existence of God.

(a) Mankind has always believed in a universal being.
(b) Creation must have a Creator. The universe could not originate without a cause.
(c) The wonderful design which we see in creation demands an Infinite Designer.
(d) Since man is an intelligent, moral being, his Creator must have been of a much higher order in order to create him.

THE NATURE OF GOD
1. God is a spirit (John 4:24). This means that God does not have a body. He is invisible. However, He can reveal Himself to man in visible form. In the person of Jesus Christ, God came into the world in a body of flesh (John 1:14,18; Colossians 1:15; Hebrews 1:3).

2. God is a person. Personal names are used in reference to Him (Exodus 3:14; Matthew 11:25). Personal characteristics are ascribed to Him, such as knowledge (Isaiah 55:8,9), emotions (Genesis 6:6), and will (Joshua 3:10; Ephesians 6:6).

The unity of God. Scripture clearly teaches that there is one God (1 Timothy 2:5). (Read this verse). The false teaching that there are many gods is contrary to reason. There can only be one Supreme Being.

The Trinity. The Bible teaches not only that there is one God, but also that there are three persons in the Godhead—Father, Son and Holy Spirit. This is a mystery to the human mind, but although it cannot be understood, it can be believed because God’s Word says it is so. The Word “trinity” is not found in the Bible, but the truth is found in the following passages:

(a) Baptism of Jesus (Matthew 3:16,17).
(b) The great commission (Matthew 28:19).
(c) The benediction of 2 Corinthians 13:14.

The Father is called God in Romans 1:7. The Son is called God in Hebrews 1:8. The Holy Spirit is called God in Acts 5:3,4.

THE ATTRIBUTES OF GOD
It is difficult to define God. One of the best ways is to describe certain of His qualities or characteristics. These are known as His attributes.

1. God is omnipresent. This means that God is present everywhere at the same time (Jeremiah 23:24).
2. God is omniscient. In other words, He knows all things. He knows every thought and deed of man (Proverbs 15:3). He knows everything that takes place in nature, including even the death of a sparrow (Matthew 10:29).
3. God is omnipotent. He has all power. He created the universe, and now controls it by His power. There is nothing that He cannot do (Matthew 19:26).
4. God is eternal. He never had a beginning, and He will never cease to exist (Psalm 90:2). God is unchangeable. “I am the Lord. I change not” (Malachi 3:6).

God is holy. He is absolutely pure and sinless. He hates sin and loves goodness (Proverbs 15:9,26). He must separate Himself from sinners, and must punish sin (Isaiah 59:1,2).

God is just. Everything He does is right and fair. He fulfills all His promises (Psalm 119:137).

God is love (1 John 4:8). Although God hates sin, yet He loves sinners (John 3:16). (Read this verse).

Lesson 3: MAN

If we want to know the truth about man, we must turn to the Bible. “Truth is what God says about a thing”. The Bible tells us about man’s creation, nature, relation to other beings, his fall and destiny.

MANS ORIGIN
It is only natural that man should be curious about his origin. He always has been. Various theories have been put forward at different times by philosophers. The most modern is the theory of evolution, which asserts that man has developed from lower animals. But the Bible tells us:

“In the beginning God created the heavens and earth . . . God created man” Genesis 1:1, 27

God says concerning His creature man:

“I have created [man] for My glory; I have formed him, yes, I have made him” Isaiah 43:7

So the question, “What is the chief end of man?” is answered, “The chief end of man is to glorify God”.

MAN’S NATURE
Anyone who has witnessed a death-bed scene understands vividly that man has a physical body and also a soul or spirit. At one moment the person is alive - the next he is gone. Yet his body is still there. But the life principle has departed: a dead corpse remains. Man is not merely a body, but also is or has a soul and spirit.

The Bible teaches us that man exists as a three-fold being: body, soul and spirit (1 Thessalonians 5:23). It is hard for us to know the difference between soul and spirit because we cannot see them as we can see the body, but the Bible shows us that there is a difference. The body is the tangible, visible, mortal structure in which the real, unique individual lives. The Scriptural uses of the word ‘soul’ emphasise man’s individuality and vitality, usually connected with his inner life, his feelings and self-consciousness. In Genesis 2:7 we are told that God breathed into the nostrils of the newly formed man the ‘breath’ or ‘spirit’ of life, and ‘man became a living soul’. This ‘spirit’ or ‘breath’ is the life principle which comes from God, and returns to God when man dies (Ecclesiastes 12:7).

The spirit of man would appear to be different from the spirit of animals, the former ascending to God at death, the latter going downwards to earth (Ecclesiastes 3:21). By his spirit man was able, before the fall, to communicate freely with his Maker. By the spirit we are able to know, to reason, and to discover the wonderful facts of the natural world around us. So we are responsible to God, and it is our greatest duty to find out what God wants us to do, and then do it.

MAN’S FREE WILL
There are other beings which God has created. These are angels or spirits. They do not have a human body or soul. They are mightier than we are. They, too were created to serve God, but since they, like man, have a free will, some of them fell into the sin of disobedience.

God chose to create beings who could, if they wished, serve Him voluntarily and love Him freely. This is clearly better than making automatons with no freedom of choice.

MAN’S SIN
When God created free beings, able to do or to refuse to do His will, He knew that some would choose the wrong way. And so it turned out. A great angel called Lucifer, now known as Satan, set his will in opposition to God’s will. He was cast out of heaven and many angels with him (Luke 10:18; Revelation 12: 7-9). From that time Satan has set out to hinder God’s plans. He tempted the first man from the path of obedience and succeeded (read Genesis 3).

Now God, the moral Governor of the universe, cannot tolerate in His presence any being who deliberately disobeys Him. Thus Satan fell from heaven, and thus Adam was driven from God’s presence. Adam’s nature has been passed on to every member of the human race. We are all born with a tendency to sin (Romans 5:19). This nature responds to temptation from without and so we yield and sin.

MAN’S FUTURE
Just as the Bible tells us of man’s origin, as coming from the hand of God, and of man’s shameful fall and the consequent separation from God, so it faithfully tells us that every man, woman and child will some day stand before God as her/his Judge. The fact of death is so common that every one understands the inevitable end of every man. But the Bible adds, “After this the judgement”. God has created man and revealed to him His will. God will hold every person absolutely responsible for everything he has done. This life is primarily a preparation for the next one. Man does not die like the animal. His spirit must go to God, his Creator and Judge.

Lesson 4: SIN

Read Genesis 3.

WHAT IS SIN?
No one can read the Bible very much without realising that a great deal of attention is given to the subject of sin, its cause and cure. We often think of sin in connection with crime and murder. But sin in the Bible refers to anything short of God’s perfection. In Romans 3:23, we read, “All have sinned and come short of the glory of God”. The “glory of God” includes the thought of absolute perfection. Sin is therefore falling short of the mark. All men are guilty of this.

Sin is also spoken of in the Bible in the following ways:
2. Rebellion against God, or lawlessness (Isaiah 1:2, 4; 30:9).

Evil thoughts are sinful, as well as evil deeds (Matthew 5:28).

THE ORIGIN OF SIN
The first recorded instance of sin is pride, and took place in heaven. The angel Lucifer became ambitious to be equal with God (Isaiah 14:12-14). For this sin of pride, he was cast out of heaven and became the one whom the Bible elsewhere describes as the devil or Satan (Luke 10:18).

The first instance of sin on earth is described in the assignment for this lesson. It took place in the Garden of Eden. God forbade Adam and Eve to eat the fruit of the tree of the knowledge of good and evil. They disobeyed God and ate the forbidden fruit. They thus became sinners.

THE RESULTS OF SIN
1. As soon as the parents of the human race sinned, they became conscious of the fact that they were naked, and they tried to hide from God (Genesis 3:10).

2. The penalty of sin is death. Adam became spiritually dead the moment he sinned. By this we mean that he became separated from God, and banished from God’s presence. He also became subject to physical death. Although he did not die immediately, his body was doomed to die eventually.

3. Adam’s sinful nature was passed on to all the human race. Every child born of sinful parents is a sinner by birth. Thus Adam’s oldest son, Cain was a murderer. Because all men are born sinners, they are all dead spiritually, and are all doomed to die physically some day. (Read Romans 5:12-18 carefully at this point).

4. Man’s sin brought God’s curse upon all creation. Thorns and thistles, for instance are an evidence of this. Other evidences are mentioned in Genesis 3: 14-19. Sin needs no proof as long as we have prisons, hospitals, and funerals. Tears, sickness, sorrow, pain and death are some of the results of sin.

THE PENALTY OF SIN
“The wages of sin is death” (Romans 6:23). God has pronounced the penalty of sin as being death. We have already seen that this means spiritual death and physical death. This penalty must be paid. God must punish sin.

As long as a man lives in his sins, he is dead spiritually, with every moment of time bringing him nearer to physical death. At physical death, his spiritual condition is made permanent for, as we have already seen, death is followed by judgement (Hebrews 9:27). This means that if he is still in his sins when he dies, he will be forever banished from God and will suffer for his sins in the lake of fire. This is the second death spoken of in Revelation 20:14.

THE REMEDY FOR SIN
God has provided a remedy so that men do not need to suffer everlasting punishment for their sins. He sent His Son into the world to provide a way of escape for man. The Lord Jesus Christ had no human father. He was conceived by God’s Holy Spirit, and His mother, Mary, was a virgin (Matthew 1:18-25). So He did not inherit Adam’s sinful nature. He was the only sinless man who ever lived. On the Cross of Calvary He willingly suffered the penalty of sin, and satisfied all God’s holy demands. Since the penalty of sin has been met, God can now give eternal life to every sinner who confesses the fact that he is a sinner, and receives the Lord Jesus Christ as his Lord and Saviour, (This will be more fully explained in the lessons on the New Birth and Salvation).
When a person trusts in Christ, he is saved from the penalty and power of sin. This does not mean that he no longer commits sin. But it does mean that all his sins, past, present and future, have been forgiven; that he will never be judged for them; and that he has power to live for God instead of for the pleasures of sin.

In considering the subject of the forgiveness of sins, the student should always keep in mind that there are two principal types of forgiveness. The first of these is known as judicial forgiveness and the second as parental forgiveness. The first has to do with the penalty of sin, and the second has to do with the restoration of fellowship that is broken by sin.

When we say that the Christian has been forgiven all his sins - past, present and future - we are referring to the judicial forgiveness of sins. This means that the believer will never have to pay the penalty of his sins because Christ paid that penalty on the cross. When the Lord Jesus died, all our sins were in the future. Therefore, He died for all our sins - past, present, and future. The moment we trust Him as Saviour, we receive complete forgiveness of sins as far as the penalty is concerned.

What happens then when a Christian sins? The answer is that fellowship with God is broken. The happy spirit of communion between the Father and His child has been severed. Fellowship remains broken until that sin is confessed and forsaken. When we do confess these sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. Here we are speaking about parental forgiveness. It is not a judge forgiving a criminal, but a father forgiving his child.

This lesson concerns the Lord Jesus Christ who is the central theme of Holy Scripture. We shall consider His deity, His incarnation, His work and His offices.

**HIS DEITY**

The deity of Christ means that Christ is God. Scripture clearly teaches this important fact in the following ways.

The attributes of God are used in speaking of Christ.

(b) His omnipresence. He is with His servants everywhere (Matthew 28:20).
(c) His omnipotence. He has unlimited power (Matthew 28:18).
(d) His omniscience. He has unlimited knowledge (John 21:17).
(e) His ‘unchangeableness’. He is “the same yesterday, today and forever” (Hebrews 13:8).

The works of God were performed by Christ.

(a) He created all things (John 1:3).
(b) He upholds the universe (Colossians 1:16,17).
(c) He raised Himself from the dead (John 2:19; 10:17,18).

The title of God is given to Christ.

(a) God, the Father, addresses the Son as God (Hebrews 1:8).
(b) Men called Him God, and He did not refuse their worship (John 20:28).
(c) Demons recognised Him as God (Mark 1:24).
(d) He declared Himself to be God (John 10:30).

**HIS INCARNATION**

By the incarnation of Christ is meant His coming into the world as a man.

The coming of Christ was predicted in the Old Testament (Isaiah 7:14).

History records the birth of our Lord. His birth was different from all other births.

(a) He was conceived by the Holy Spirit (Luke 1:35).
(b) He was born of a virgin (Matthew 1:23).
(c) Yet He was truly man, possessing a body (Hebrews 10:5), soul (Matthew 26:38) and spirit (Luke 23:46).

Christ came in human form in order to:

(a) Reveal the Father (John 14:9).
(b) Put away sin by the sacrifice of Himself (Hebrews 9:26).
(c) Destroy the works of the devil (1 John 3:8).

**NOTE WELL:**

One of the foundation truths of the Christian faith is that Jesus Christ is truly God and that He came into the world as a man by the miracle of virgin birth. As a man, He was absolutely sinless.

**HIS WORK**

Under this heading, we shall discuss the Lord’s death, resurrection and ascension.

**His death**

(a) The death of Christ was necessary (John 3:14). It was part of God’s eternal purpose (Hebrews 10:7). It was necessary to fulfil Old Testament prophecies (Isaiah 53:5). It was necessary to provide salvation for man (Ephesians 1:7).
(b) The death of Christ was for others. He died as a substitute (1 Corinthians 15:3).
(c) The death of Christ was sufficient. It completely meets God’s claims because Christ endured and exhausted the judgement of God against sin. It completely meets man’s need because it was the death of an Infinite Person, and therefore its value is infinite.

**His resurrection**

(a) The resurrection of Christ was necessary to fulfil prophecy, to complete the work of the Cross (Romans 4:25), and to enable Christ to undertake His present work in heaven.
(b) Christ’s resurrected body was real. It was not a spirit (Luke 24:39). It was the same body which was crucified because it had the print of the nails and the spear-wound (John 20:27). Yet it was a changed body,
with power to overcome physical limitations (John 20:19, 26).

(c) After His resurrection, Christ appeared to certain of His followers at least ten times. More than five hundred reliable witnesses saw Him after He arose (1 Corinthians 15:6)

(d) The resurrection of Christ is an important truth. If there was no resurrection, there would be no Christian faith.

His ascension

(a) At the end of His ministry on earth, Christ was carried up into heaven (Mark 16:19; Acts 1:9).

(b) He ascended so that He might enter into His reward (Luke 24:26), and continue His ministry for His people (Hebrews 7:25).

HIS OFFICES

Christ is presented in Scripture as a Prophet, a Priest and a King.

1. As Prophet, He tells men what God has to say to them, and He thus reveals God to men (John 1:18).

2. As Priest, He represents believers before God (Hebrews 4:14 - 16).

3. As King, He reigns today in the hearts of those who are loyal to Him. In a coming day, He will reign upon the earth for one thousand years. Psalm 72 describes His reign on earth.

Lesson 6: THE NEW BIRTH - Part 1

Assignment for this lesson: Read John 3:1-21

INTRODUCTION
The reader must be struck by the fact that the Lord Jesus Christ, the Son of God, solemnly impressed upon a most religious and moral person named Nicodemus the absolute necessity for him to be born again, before he could see or enter the Kingdom of God (vv 3, 5). The new birth is one of the three great “musts” of all humanity.

The “must” of death (2 Samuel 14:14; Hebrews 9:27).
The “must” of the judgement (Romans 14:12; Revelation 20:11 - 15).
The “must” of regeneration, or the new birth (John 3:3,5).

In view of much ignorance and misunderstanding concerning this vital matter, let us first view it negatively. (see John 1:12,13).

WHAT THE NEW BIRTH IS NOT
1. It is not of natural generation or descent: “not of blood”. Though one may be born of Christian parents, this does not constitute him/her a Christian.
2. Not of self-determination: ”will of the flesh”. Just as a child cannot will itself to be born physically, so no one can produce the new birth by his own efforts.
3. Not of human mediation: “not of the will of man, but of God”. No human being, however eminent his ecclesiastical position, can impart the new birth to another. All the rites and ceremonies of any or of all organised religions can never produce the new birth.
4. Not a physical change: Christ corrected Nicodemus’ misunderstanding as to this, and showed him it was a spiritual change (John 3:4-6).
5. Not a social and geographical change: The born-again person is not suddenly translated to heaven, but continues to live on earth, but now to please his Lord and Saviour (1 Corinthians 7:20-24; Colossians 3:22-24).
6. Not an intellectual apprehension of what it is: A person can be religiously educated, ordained to the ministry, and become a preacher without being born again. Sadly, there are many such. Theoretically they may know its necessity, yet know nothing of it by experience.
7. Not an evolutionary process: It is not a gradual development of some germ of spiritual life that is within (Ephesians 2:5). Sinners are described as being spiritually dead. Life cannot be developed where it does not exist!
8. Not a reformation or self-improvement by which outwardly bad habits are relinquished. It is not a change of manners, but of the man.
9. Not a religious belief: It is possible to be sincere in one’s religious convictions, be baptised, confirmed, join the church, take communion, teach a Sunday school class, occupy a church office, and even be a preacher, without being born again. The necessity for the new birth was stated to one of the most religious, sincere and moral men of his day (John 3:1).

IT IS A SPIRITUAL CHANGE
The new birth is a spiritual change (John 3:8). It is brought about by God alone, when we believe in Christ and receive Him as our Saviour and Lord (John 1:12-13).

Note: John 3:7, “Marvel not”. The necessity for the new birth is perfectly logical and reasonable, and should not cause amazement.

Now let us ask three questions regarding the new birth. Why? How? When? The first one is discussed below. The other two will be taken up in the next lesson.

WHY MUST A PERSON BE BORN AGAIN?
To receive a spiritual nature we naturally lack (John 3:6). Here the word “flesh” refers to that sinful nature which a person receives at his physical birth. Leave off the letter “H” and spell it backwards and its meaning will be seen i.e. “self”. Through his sin, Adam acquired a sinful nature, and this nature has been transmitted, by birth, to each of his descendants. (See Romans 5:12, 18, 19; Psalm 51:5). The character of this sinful nature
called “the flesh”, is described in Romans 8:5-8. It is “enmity against God, not subject (or obedient) to the law of God”, and consequently is incapable of pleasing God. In other words, man does not naturally possess a spiritual capacity which would enable him either to desire, understand or enjoy the things of God. (See 1 Corinthians 2:14).

Just as a musical, artistic or poetic capacity can only be communicated to a person by a physical birth, so a spiritual capacity, by which the things of God can be appreciated, must be communicated to a person by a spiritual birth. The flesh can be educated, cultivated and ‘religionised’; but its nature remains unchanged and unchangeable in its enmity to God, so by our very nature we cannot please God. The new birth is the impartation of a spiritual or Divine nature, by which alone man can possess this spiritual capacity to understand and enjoy the things of God. “That which is born of the flesh is flesh”. Like can only produce like!

To see and enter the Kingdom of God, which we cannot do naturally (see John 3:3-5). What is meant here by “the kingdom of God”? It is described as a spiritual experience. We read, “The Kingdom of God is not meat or drink (or physical), but righteousness and peace and joy in the Holy Spirit” (Romans 14:17). Let us think of two kingdoms or spheres; one called “the kingdom of men”, and the other “the Kingdom of God” or one called “the flesh”, and the other “the spirit”. Everyone enters the kingdom of men by a physical birth, which communicates to us a physical nature, and fits us for a physical sphere, peopled by human beings. In this sphere we live, move, think and act. Now how can we be enabled to see the value of and enter this other sphere called the Kingdom of God? The answer is obvious. We must be born again, or have a spiritual birth, which will introduce us into this new realm. Through this new birth we will become possessed of a spiritual nature which will fit us to enjoy the spiritual realities that characterise the Kingdom of God.

You will notice that the marginal rendering of the words “born again”, is “born from above”. This serves to indicate the source of the birth. Physical birth is of man and the earth; spiritual birth has its origin in God and is from heaven. Now read Romans 8:9.

Here Paul speaks to a people who were no longer “in the flesh” as to their position before God, but were “in the Spirit”. How were they translated from one kingdom to the other? By the Spirit of God, upon their acceptance of Christ as their Saviour.

To receive a spiritual life we do not naturally possess.

Man, by nature, is described as being “dead in (his) trespasses and sins”; “alienated from the life of God”; as “not having life”. (see Ephesians 2:1; 4:18; 1 John 5:11,12). Just as a body without physical life is declared to be physically dead, so any person without spiritual life is described in the Bible as being spiritually dead. (See 1 Timothy 5:6; Luke 15:24). Death therefore means separation. For a person to be separated from Christ, in Whom is life, is to be dead spiritually (John 1:4). How can this spiritual life be imparted to the spiritually dead? Let Christ Himself tell us. Read John 5:25 and the problem is solved. All who hear the Son of God, believe His Word and trust Him as their Saviour, receive spiritual life and are born again. See also John 3:16; 5:24; 10:26-28; 6:47; 1 John 5:13.

4. What is the difference between ‘the kingdom of men’ and the ‘kingdom of God’?
5. What are some of the differences between physical death and spiritual death?

WHAT DO YOU SAY?
What impresses you most about the Lord’s statement “You must be born again”?
Lesson 7: THE NEW BIRTH - Part 2

HOW CAN A PERSON BE BORN AGAIN?

Christ indicated a three-fold means by which the new birth is produced.

1. **By believing the Word of God** (John 3:5). The “water” here is the well-known symbol for the Word of God. (See Ephesians 5:25; John 15:3; Psalm 119:9). It has no reference to baptism. Other Scriptures make abundantly clear that the new birth comes through the Word of God (See 1 Peter 1:23-25; James 1:18). Just as water, when applied, cleanses from our eyes the dirt that would otherwise obscure our vision, so the Word of God, when read and believed, washes from our mind the wrong ideas about God and His salvation. The entrance of God’s Word brings light on our lost condition (Romans 3: 10-19); God’s love as seen in His provision for our salvation (John 3:16); and the way by which we may be saved (Romans 10: 1-17).

2. **By the indwelling of the Spirit of God** (John 3:5). The Holy Spirit, the third Person in the Trinity, was sent by Christ, on His ascension, to use the Word of God to convince us of our sin; to lead us to put our trust in Christ; to indwell each person on believing; to communicate to the believer a Divine nature, or capacity for spiritual things; and to guide each born-again person into all truth. (See John 16:7-15; Ephesians 1:13; 4:30; II Peter 1:3,4; Galatians 5:22-26). As the Word of God is read or heard, the Holy Spirit applies the truth to the heart in convicting force, showing the sinner that he is lost, guilty, helpless, and in a hopeless condition. He then reveals through the Word the way of salvation through repentance and faith in Christ and His finished work. The moment the sinner trusts in Christ in this way He seals him, by His indwelling presence, as Christ’s purchased possession. This is not a question of feeling, but of fact. We do not feel the new birth.

3. **By faith in the Substitutionary Sacrifice of Christ.** (See John 3:14-16). In these words Christ made crystal clear how this new life can come to a sinner. In answer to Nicodemus’ question: “How can these things be?” Christ used an incident recorded in the Old Testament to illustrate how the sinner can be born again.

(a) **Sin** (Numbers 21:5). Just as Israel sinned, so all humanity has sinned against God in thought, word and deed (Romans 3:23).

(b) **Judgement** (v6). As their sin brought God’s merited judgement upon them, so God has revealed His wrath against all sin. (See Romans 1:18; Job 36:18; Romans 6:23).

(c) **Repentance** (v7). Israel realised, confessed, and sought pardon for their sin. This is repentance, which consists of a change of mind, resulting in a change of attitude, which is expressed by a change of action. God demands the repentance of the sinner. (See Luke 13:3; Acts 17:30,31; 20:21; Mark 1:15).

(d) **Revelation** (v8). “And the Lord said”. As God revealed to Moses the way of salvation for these snake -bitten Israelites, so God has revealed in the Bible His way of salvation for us (2 Timo 3:15-17; Rom 10:8.9).

(e) **Provision** (vv8,9). A serpent of brass was made and lifted up on a pole in full view of the camp of Israel. Now compare John 3:14. Just as Moses lifted up the brazen serpent, so Christ must be lifted up on a cross to provide salvation for sin-bitten humanity. On the cross He bore our sins, took our place, endured all the judgement due to our sins, and by His death, satisfied all God’s demands against the sinner. God has indicated His acceptance of the substitutionary sacrifice of His Son by raising Him from the dead. (See Isaiah 53:5,6; 1 Corinthians 15:1-4; Romans 5:7,8).

(f) **Condition** (v8). “When he looks”. The fact that the brazen serpent was lifted up did not, of itself, save them. Each bitten Israelite must look to live! The fact that Christ has died for our sins and accomplished all the work needed for our salvation will not save any sinner unless he personally believes on Christ, trusts Him as his own Saviour, and owns Him as the Lord of his life. This is what our Saviour meant when He said “that whoever believes in Him should have everlasting life” (John 3:16). Just as the bitten Israelites were not asked to pray, resolve, pay or do good works to merit salvation, so sinners are urged to own their need and trust wholly in the work of Christ, and receive Him by faith as their own personal Saviour. (See John
(g) Result (v 9). “He lived”. The moment a bitten Israelite (who was as good as dead) looked, he received new life. He was, as it were born again! So the moment a guilty, lost sinner believes the gospel that Christ died for his sins, and definitely accepts Him as his own Saviour, he receives spiritual or eternal life, is indwelt by the Holy Spirit, becomes a partaker of a Divine nature, and is thus born from above, or regenerated. This is the new birth, which Christ declared was absolutely essential to seeing and entering the Kingdom of God.

WHEN CAN A PERSON BE BORN AGAIN?
The answer to this can be obtained by consulting your watch! The new birth takes place the moment a guilty sinner looks to Christ and trusts Him as his Lord and Saviour. Why not, just where you are, and as you are, cease from your own efforts to save yourself, and trust in the Person and rest in the work of the Son of God, who did it all for you. (See II Corinthians 6:1,2; Hebrews 4:7).

“Come as a sinner, and trust now in Christ,
    Who bore your sins and shame;
Then, by the Spirit of God through the Word,
    You will be born again!”

GROUP DISCUSSION QUESTIONS
1 What place does the Word of God have in the new birth or in being ‘born again’?

4 Is there a difference between feeling saved and knowing you are saved?
5 Have you experienced the new birth? Within the group, share your experience of coming to trust Christ.

    (d) for everyone regardless of whether or not they personally look to Him in faith for salvation

WHAT DO YOU SAY?
In what or in whom are you trusting for salvation from personal sin?
Lesson 8: SALVATION

Closely linked with the subject of the new birth is that of salvation. The former concerns itself principally with the necessity, source and nature of the spiritual life all men need from God; the latter emphasises the delivering effects and scope of God’s provision in Christ. We shall think of seven things in connection with salvation.

ITS DEFINITION
The word simply means deliverance. It is commonly used to describe the act by which a person is delivered from a danger which threatens him. We speak of a person being “saved” from drowning, or from a burning building, or from a sinking ship. In each case, three things are taken for granted.

1. The person to be saved was in danger of death.
2. Someone saw his peril and went to his rescue.
3. The rescue was successful in his mission and delivered the person from his perilous plight, and this “saved” him. The words: “save”, “saved”, “Saviour”, and “salvation” occur very many times in the Bible and have exactly the same meaning in a spiritual sense.

ITS NECESSITY
The necessity for God’s salvation is due to two facts which each person must face.

1. The fact of man’s sin. We have already discussed the spiritual condition of all men by nature in our previous lesson, and pointed out that each human being comes into the world possessed of a sinful nature that constitutes him a sinner by birth. This sinful nature, in time, is evidenced by sinful thoughts, words, deeds and attitude of enmity to God. The Bible makes this abundantly clear. (Read Romans 5:12, 18, 19; 6:16; 8:5-8; Genesis 6:5; Ephesians 2:1-3; 2 Corinthians 4:3,4; Isaiah 53:6; Jeremiah 17:9; Mark 7:20-23; Romans 1:19-23). These verses quite clearly teach us that we are all sinners by birth, by choice and by practice. We need to be forgiven. It will be evident to all from these scriptures that man is:

   (1) A sinner, needing forgiveness.
   (2) Lost, needing to be found.
   (3) Doomed, needing deliverance.
   (4) Guilty, needing pardon.
   (5) Spiritually dead, needing life.
   (6) Blind, needing illumination.
   (7) A slave, needing liberation.

Man is thus utterly helpless to save himself.

2. The fact of God’s righteousness. God is holy, and must punish sin. He will “by no means clear the guilty” (Exodus 34:6,7). He has revealed his hatred of sin, and His sentence against all who die in their sins. This is eternal banishment from His presence. (See John 8:21,24; Mark 9:43-48; Luke 16:22-31; Jude 11-13; Revelation 20: 11-15). The obvious conclusion is: Since man is a sinner, and God is righteous, the sinner needs to be delivered or saved from the penalty of his sins. His cry should be: “What must I do to be saved?” (Acts 16:30-31).

ITS PROVISION
The Gospel is the good news that God in wondrous grace has abundantly provided this salvation through the Person and the work of His beloved Son. Two things are clearly taught.

1. Christ came to be the Saviour of sinners (Matthew 1:21). The Son of God, equal and eternal with the Father and the Holy Spirit, became incarnate in order to provide salvation. (Read John 3:16,17; Mark 10:45; Matthew 9:12,13; John 10: 11, 15-18).

2. Through Christ’s death and resurrection, this salvation has been provided, to God’s complete satisfaction. As Christ willingly hung upon the cross, He assumed the full liability of our guilt and sin, bore our sins in His own body, and died as a substitutionary sacrifice on behalf of sinners. All God’s judgement against sin fell on him, and all God’s righteous claims against the sinner were fully satisfied by Christ’s death on our behalf. God indicated His complete acceptance of this sacrifice of Christ by raising Him from the dead and seating him at His own right hand. (Read 1 Corinthians 15:1-4; 2 Corinthians 5:21; 1 Peter 2:24; Isaiah 53:5; Romans 5: 6,9; Acts 4:10-12; 5:31; 17:31).

ITS CONDITION
Since Christ has accomplished, by the sacrifice of Himself, all the work needed for the sinner’s salvation, what must the sinner do in order to experience this salvation?
1. **He must repent.** Repentance simply consists of a change of mind which results in a change of attitude towards sin, self, the Saviour and salvation; which, in turn, is evidenced by a change of action. (Read Luke 13:3; Acts 17:30; 20:21). The sinner’s indifference will give place to an earnest desire for salvation; his pride to humility; his self-satisfaction to a frank confession of his helpless, hopeless and hell-deserving condition.

2. **He must believe the gospel,** or the testimony of God concerning the Person and work of Christ. (See 1 John 5:9,10). As a lost and guilty sinner he must believe that Christ died for him, individually, that Christ bore his sins, took his place and, by His death, accomplished all the work needed for his salvation (Romans 4:5).

3. **He must accept the Lord Jesus Christ, by a definite act of his will as his own personal Saviour, henceforth to own Him as the supreme Lord of his life** (John 1:12; Romans 10: 9,10; John 3:16; 5:24; 6:47; Ephesians 1:13). This is the crucial act. Will you not, right from your heart, say: “Lord Jesus Christ, owning myself to be a guilty, lost sinner, but believing that You bore my sins and died in my place on Calvary, I now definitely rest in Your finished work and receive Thee as my own Saviour, henceforth to own You as the Lord and Master of my life”. This is what it means to “believe on the Lord Jesus Christ” (Acts 16:31).

**ITS ASSURANCE**

How may one know, for certain, that he is saved? We answer without any hesitation: by the Word of God. God declares plainly and in black and white, that every soul trusting in His Son is forgiven, saved, the possessor of eternal life and secure for ever. (Read Acts 13:38; 1 John 2:12; Ephesians 2:8; 1 Corinthians 6:11; 1 John 5:13; Romans 5:1; 8:11; John 10:27-30).

**ITS SCOPE**

Salvation has a three-fold aspect: past, present and future.

1. **Past.** Salvation from sin’s penalty, or consequences. Since Christ has endured the full penalty due to our sins, the believer is delivered from its dread consequences. (See John 5:24; Romans 8:1).

2. **Present.** Salvation from sin’s power, or control. Because of the Holy Spirit’s indwelling presence, plus the impartation of a Divine nature, the believer is now enabled to enjoy deliverance from the dominion of sin in his life (1 Corinthians 6:19; 2 Peter 1:3,4; Romans 6:1-14). This does not mean that the believer is incapable of sin; far from it, for he still possesses the evil nature called “the flesh”. It does mean, however, that, in the measure that he avails himself of the means God has provided, sin shall not be the dominating factor in his life. This present deliverance will depend on:
   a. the reading and study of and obedience to the Word of God (II Timothy 2:15).
   b. The keeping constantly in touch with God by prayer (Hebrews 4:14-16).
   c. The yielding of one’s body to God for both a righteous and useful life (Romans 6:13; 12:1,2).
   d. The prompt confession to God and the forsaking of all known sin (1 John 1:8,9; Titus 2:11-15).

3. **Future.** Salvation from sin’s presence, or committal. This will take place at the coming of Christ, when He will raise the dead and change the living, so that they will have bodies incapable of sin, decay and death. This is the final aspect of salvation that we look for (Hebrews 9:28, 1 Thessalonians 4:13-18).

**ITS RESULTS**

These are multitudinous (Ephesians 1:3-14). We shall select a few.

1. **Peace with God** (Romans 5:1). No longer at enmity.
2. **Acceptance before God in Christ** (Ephesians 1:6).
3. **Joy in God as His children** (Romans 5:10, 11; 8:14-17; Galatians 3: 26-4:7).
4. **Living for God** (2 Corinthians 5:14,15; Galatians 2:20; 1 Peter 4:2-5).
5. **Service to God** in the way of good works and testimony for Him (Eph 2:10; Matthew 5:16; Mark 16: 15,16).
7. **An eternal home in heaven** (John 14:1-3; Revelation 22:1-5).

May each reader know, on the authority of the Word of God, that he/she is eternally saved!

Lesson 9: GRACE

INTRODUCTION
All God’s dealings with mankind at the present time are on the basis of grace. This means that He shows men favour which they do not deserve.

The word grace is found over 160 times in the Bible. Of these occurrences, 128 are in the New Testament. God is spoken of as “the God of all grace” (1 Peter 5:10). Christ is described as being “full of grace” (John 1:14). The Holy Spirit is called “the Spirit of grace” (Hebrews 10:29). Thus the three persons of the Godhead are closely linked with grace.

DEFINITION
The word used in the Old Testament carries the meaning “to bend or stoop in kindness to an inferior”. The New Testament word means, “favour, good-will, loving kindness”. The following definitions have proved helpful in explaining what grace is:

1. “Grace is love displayed to unworthy objects. God is love; but when He bestows that love on guilty, unclean rebellious sinners, then it is grace”.

2. “Love that looks up is adoration. Love on its own level is affection. Love that descends is grace”.

3. “Grace is God showing nothing but love and mercy when we deserved nothing but wrath and judgement. It is God bending toward us in infinite love”.

4. “Grace is seen in God giving heaven’s Best to save earth’s worst”.

CONTRAST
Grace is not to be confused with works. If man could obtain salvation by doing good works, then salvation would simply be his wages (Romans 4:4,5; Romans 11:6). God does not owe anything to man. Salvation is a free gift.

Grace is not to be confused with law. Men are not saved by keeping the law. They are saved by grace. The following will help to make this clear:

(a) Law says, “Do this and you shall live”. Grace says, “Live, and you shall do”.
(b) Law says, “You shall love the Lord, your God”. Grace says, “God so loved the world” (John 3:16) and “We love Him because He first loved us” (1 John 4:19).
(c) Law condemns the best (Romans 3:19). Grace saves the worst (Romans 3:24; 4:5).

THE NEED FOR GRACE
Man is a sinful rebel against God’s holy law (Romans 3:23; Colossians 1:21). Therefore, he deserves nothing but God’s judgement.

Man stands guilty before the bar of God, having broken God’s holy law (Romans 3:19; Galatians 3:10; James 2:10). As such, he is subject to the curse of God.

Because he rejected and murdered God’s Son, man has no claim on God at all (John 12:31-33; 3:18).

SALVATION BY GRACE
If man is to be saved, it must be by God’s grace. But God is holy and He cannot overlook sin. Sin must be punished.

The Gospel tells us how God can save sinners by grace, and still be holy in doing so. Christ suffered the wrath and judgement of God against sin. On the basis of the work of Christ, God can forgive the sins of those who trust the Lord Jesus.

Christ has finished the work. Grace only demands faith on the part of the sinner who seeks salvation (Ephesians 2:8,9).

BLESSINGS THROUGH GRACE
Grace brings many wonderful results to the sinner. Three of the greatest of these results are the following:

1. Salvation (Titus 2:11-13). This means that a Christian has eternal life.
2. Justification (Romans 3:24-26). This means that God reckons a sinner who has believed on Christ as being blameless.

3. Standing before God (Romans 5:2). This means that a true believer can enter into God’s presence by prayer. He is no longer separated from God by his sins.

GROUP DISCUSSION QUESTIONS

1. Discuss the meaning of ‘grace’. Why does man deserve or not deserve God’s grace?

2. Discuss the place of ‘works’ in the matter of salvation. Are works for salvation or a result of salvation? Explain.

3. Contrast ‘law’ and ‘grace’ and show the folly of trying to reach God by works.

4. Discuss as a group how you can demonstrate ‘grace’ in your everyday living.

5. Through Christ’s death, discuss how grace demands only faith from sinners who seek salvation.

 Lesson 10: FAITH

One does not study the Bible very long before becoming conscious of the importance of faith. A sinner cannot be saved apart from faith (Hebrews 4:2; Ephesians 2:8,9). Therefore it is important that we should find out what this word means.

WHAT IS FAITH?
Faith is personal confidence. We use the word in everyday conversation, as follows: “I have complete faith in my doctor”. We mean that we trust him with our case. So, in the Bible, faith is personal confidence in God. It means that we believe what he says, and trust Him to save us and keep us.

WHERE DOES FAITH COME FROM?
As we look around us in the world, we realise that some men do not have faith in God, and thus they are not saved. This leads us to enquire as to the source of faith. In a very real sense, this faith is a gift of God (Ephesians 2:8; Hebrews 12:2). God gives men the power to believe on Him.

But how does a man receive faith? The answer to this is found in Romans 10:17, “So then faith cometh by hearing, and hearing by the Word of God”. Therefore, if a man does not have faith in God, he should read the Bible. As he reads he should pray somewhat as follows: “God, if this Book is Your Word, if Jesus Christ is Your Son, and if He died for me, then show me these things as I read the Bible”. God has promised that any man who wishes to do His will, will come to a knowledge of the truth (John 7:17).

WHAT IS THE TRUE OBJECT OF FAITH?
Faith must have an object. This object may either be a person, such as a relative, or a friend, or it may be an inanimate thing, such as an aeroplane, or a lift.

It is not enough to have faith. Faith must be placed in a trustworthy object. A man may have faith in his car to take him to a certain place, but if the car is badly in need of repairs, he will soon find that his faith has been misplaced.

The Bible sets forth the Lord Jesus Christ as the true object of faith (Acts 20:21). The important thing is not how much faith a man has, or what kind of faith he has, but whether his faith is in Christ. If it is, then the man is saved.

A man may believe all that the Bible says about Christ and yet not have faith in Him. You may believe that a certain train will leave the station at 11 a.m. and that it will arrive at a distant city at 3 p.m. You may believe all the facts about the train; yet you do not really believe in the train, until you get on board, and trust the train to take you to your destination.

So you may believe that Christ was born in Bethlehem, that He died on Calvary, that He rose again and ascended into heaven. But you have not really put your faith in Him until you trust Him to save you from your sins and take you to heaven.

EXAMPLES OF FAITH
The Scriptures are filled with examples of faith. The eleventh chapter of Hebrews has been called the “Honour Roll of Faith” because it lists some outstanding men and women who had faith.

Two other instances might be cited. The first is the faith of the centurion in Matthew 8:5-10. The centurion believed that Christ could heal his servant by merely saying the word.

The other is the faith of the woman of Canaan (Matthew 15:22-28). She pleaded that the bread reserved for the chosen Jews should be given to her, a Gentile. Her faith was humble and persistent.

THE REWARD OF FAITH
True faith never goes unrewarded. No one has ever trusted God in vain. Every seeking sinner who has repented of his sins, and who has put his faith in the Lord Jesus Christ has been saved.

The Saviour said, “The one who comes to me, I will by no means cast out” (John 6:37).

Lesson 11: HEAVEN AND HELL

Men have always had a sincere interest in the future. This interest has aroused questions such as the following: Does death end all? Where are the dead? What can we know about heaven and hell? First, we shall consider the questions:

WHAT HAPPENS TO A MAN AT THE TIME OF DEATH?
At the outset, we need to remember that man is a tripartite being, that is, he is composed of three parts - body, soul and spirit (1 Thessalonians 5:23). The first part is material being, the other two are non-material. With a spirit, man is capable of God-consciousness; with a soul he is capable of self-consciousness; with a body, he is capable of world consciousness. Only God's Word can divide between the soul and the spirit (Hebrews 4:12).

At the time of death, the soul and spirit leave the body. The body is put into the grave. In the case of believers, the body is described as sleeping (Acts 7:59, 60;8:2), while the unsaved person’s body is spoken of as dead. The soul and spirit never sleep. The believer's soul and spirit go to a place of joy and happiness - heaven (II Corinthians 5:8; Philippians1:21,23). The soul of the unbeliever goes to a place where he will experience the torment and sorrow of having desires which he cannot attain. Read the important passage in Luke 16:19-31, showing that those who die are conscious in this intermediate state - Hades. Here the soul is spoken of as a person, having eyes, tongue, ears, fingers and memory, and a full knowledge of the conditions there.

WHAT DO WE KNOW ABOUT HELL?
The Bible tells of another place of torment, distinct and different from Hades. It is called HELL, and is described as the Lake of Fire. At the Judgement of the Great White Throne, which will be discussed in the next lesson, the souls in Hades will be united to their bodies, which are to be raised from the graves. Christ will then pronounce the final sentence of judgement on the unbelieving dead, and they will be cast into the Lake of Fire—the eternal abode of the lost (Revelation 20:11-15). Hades is like a city prison cell where the prisoner temporarily awaits his sentence. The Lake of Fire is like a state prison, from which a person serving life sentence has no hope of discharge. In describing HELL, our Lord used the word GEHENNA, the burning place for rubbish, and talked of the undying worm and the unquenchable fire—a place of conscious torment and suffering (Mark 9:43-48).

Is punishment for sin eternal? In the book of Revelation, the phrase “forever and ever” is used to describe the misery of the lost (Revelation 14:11).

Can a God of love allow men to go to hell?

God does not want men to perish. He provided for man's salvation through the work of His Son on Calvary's Cross (Romans 5:6,8). If men reject the Saviour, they go to hell by their own choice.

God is a God of love (1 John 4:8), but He is also holy (1 Peter 1:16). He must punish sin.

Men do not hesitate to put sick people in hospitals, criminals in jail, or corpses in the cemetery. This does not indicate a lack of love on their part.

What about the heathen who has never heard the Gospel? Like the rest of mankind, heathens are lost sinners, and only Christ can save them. They can tell that there is a God through the works of creation (Romans 1:20; Psalm 19:1), and through their own consciences (Romans 2:15). If they live up to the light which they have, God will give them more light—see Cornelius, Acts 10 and 11.

WHAT DO WE KNOW ABOUT HEAVEN?
The Scriptures clearly teach that there is a place of bliss for all who know and love our Lord Jesus Christ. Heaven is a place. The word is used in the Bible in three different ways. First of all, the region of the clouds is called heaven (Genesis 1:8). Then the area where the stars are located is known as heaven (Genesis 1:17). Finally, the word is used to describe God's dwelling place. Paul calls this the “third heaven” and “Paradise” (2 Corinthians 12: 2-4). Heaven is always mentioned as being “up”. Satan said, in Isaiah 14:13,14, “I will ascend into the heaven”.

We know that our Lord is in heaven today. After He was raised from the dead, He ascended in a body of flesh

There is a great host of believers in heaven, for when the true Christian dies, he is “absent from the body - present with the Lord” (2 Corinthians 5:8). These believers are enjoying the presence of Christ “which is far better” (Philippians 1:23).

What is heaven like? The writers of the Scriptures could not find language that would describe it. In Revelation 21:10-27, John describes the foundations, wall, gates, and street of the heavenly city. Our hearts are attracted by its beauty. We know that there will be no sickness, sorrow, tears, pain or death in that fair place (Revelation 21:4). But best of all, the Lord Jesus Christ will be there, and He will be the supreme delight of every believer’s heart.

GROUP DISCUSSION QUESTIONS

2 What does Luke 16:19-31 tell us about how we should live our lives while we have the chance?
3 As defined by the text, discuss Hades and Hell as relates to the unbeliever.
4 What about those who have never heard of Christ? Can they be saved?

What the Bible Teaches - TEST 11 - Heaven and Hell

(Use EXAM FORM on the website menu)

Indicate the letter of the correct answer.

Lesson 12: FUTURE EVENTS

Every Bible student is thrilled to be able to read about events that are still future. Only in the Bible is the future unfolded. In this lesson, we shall consider some of these events in the order in which we believe they will happen. (See section on “other views” at the end of this lesson).

CHRIST’S COMING FOR HIS SAINTS (1 Thessalonians 4:13-18)
The next event to occur is the coming of Christ to take His people home to heaven. This is known as the Rapture. Christ will descend from heaven. The bodies of believers who have died will be raised. Living believers will be caught up together with them to meet the Lord in the air. Note the following facts about the coming of Christ:

1. It may happen at any moment (Revelation 22:7).
2. Only those who are truly saved will participate (1 Corinthians 15:23).
3. It takes place instantly — “in the twinkling of an eye” (1 Corinthians 15:52).
4. Not all believers will die but all will be changed (1 Corinthians 15:51). They shall be like Christ (1 John 3:2; Romans 8:16-25).

THE TRIBULATION (Matthew 24:5-31).
After the Rapture, the earth will experience a period of great suffering and sorrow known as the Tribulation. During this period, the Jewish people will continue to return to the land of Palestine in unbelief. A great, evil ruler will arise known as Anti-Christ (meaning against Christ). He will demand worship from the people. It will be a time of such great suffering that unless the days were shortened, no life would survive. However, God will preserve those Jewish people who have been faithful to Him.

CHRIST’S COMING TO REIGN (Malachi 4:1-3)
Toward the end of the Tribulation period, the Lord Jesus Christ will come back to earth in great power and glory. He will destroy His enemies, including Anti-Christ, and judge those nations which persecuted the faithful Jews. Satan will be bound in the bottomless pit for a 1000 years.

THE MILLENNIUM (Isaiah 32:1; 35:1-7; 65:17-25)
When the work of judgement has been completed, Christ will set up His kingdom on the earth. Jerusalem will be His capital. He will reign upon the earth for a thousand years. This period is known as the millennium. It will be an era of peace and happiness. We read that nature will be entirely different, for the wolf will lie down with the lamb. The desert will blossom like the rose. Men will live to very old ages. It will be a time of great prosperity. There will be no wars. Although sin will not be entirely absent, it will be punished immediately whenever it occurs.

THE JUDGEMENT OF THE GREAT WHITE THRONE (Revelation 20: 11-15)
At the end of Christ’s thousand year reign, the Judgement of the Great White Throne will take place. This is the judgement of the unbelieving dead. No true believer (saved person) will be there. These souls come from Hades (see Lesson 11) and will be reunited with their bodies, which the graves or seas will give up. They will stand before Christ, Who will judge them according to their works, recorded in the books, and find them guilty. Another book—the Book of Life—will also be opened, to show the unbelievers that they are not among those whose sin has been cleansed by repentance and faith in Christ’s sacrifice, and who have eternal life, and they will be sentenced to the Lake of Fire to suffer conscious and eternal banishment from God.

ETERNITY (Revelation 21:1-8)
The final picture of the future is the eternal state. The earth, as we know it, will have been destroyed by fire (2 Peter 3:10-12). Time, as we know it, will have ceased. All true believers will be enjoying endless happiness in heaven. All who have rejected the Saviour will be suffering in the blackness of darkness forever. The question that faces each one of us as we draw to the end of these Bible studies is this, “Where will I spend eternity?”

OTHER VIEWS
The Millennium and Christ’s Second Coming
In order to distinguish between the main schools of interpretation regarding the sequence of the events referred to in the lesson above, these have been classified as PRE-millennialism, POST-millennialism and A-Millennialism. We have already discussed the first of these, which is based on the belief that Scripture teaches
that the Church, (consisting of resurrected believers and believers alive at the time) will be caught up to meet the Lord in the air at His coming (1 Thessalonians 4:13-17) before the Tribulation, and before His coming in power and glory to reign for a thousand years..

There are some who think that the Church will pass through the great Tribulation, and believe that Revelation 7:9-17 supports this idea.

POST--MILLENNIALISM is the belief that the second coming of Christ will follow the millennium, which, it is claimed, will be experienced during the present gospel age, and at the end of which Christ will appear. It is believed that the gospel will become more effective in the end, and will lead to a time of peace and righteousness and great spiritual blessing. This idea would appear to be contrary to the clear statements of the Lord (Matthew 24:9-13; Luke 18:8), and the predicted apostasy at the end, mentioned there and in II Timothy 3:1-13 and 4:1-4, also in II Peter 2:1-4. This school of thought is not very strong today.

A-MILLENNIALISM is the belief that there will not be a literal reign of Christ upon the earth: that Satan was bound at the first appearing of Christ, two thousand years ago; that the present age, between Christ's first appearing and His second coming, is the fulfilment of the Millennium. Some maintain that the Millennium is being fulfilled now on earth, and others that it is being fulfilled by the believers in heaven; that the eternal state follows the second coming of Christ. This belief is not in agreement with the apostolic doctrine (Acts 2:42), and was unacceptable in the first three centuries of the early Church.
